PROFESSIONAL EXPERIENCE

RECONCILIATION ANALYST , Clearwater Analytics - Boise, ID   *06/2018 – 02/2019*

- Responsible for accurate and timely verification of client investment transactions on a daily basis
- Investigated discrepancies and missing data with custodian banks, data feed providers, and the CW MSSQL database
- Recognized for aptitude and placed on team for a new high-value, high-complexity client
- Led meetings with client during the onboarding process of their new accounts to the Clearwater system

GRADUATE SCHOOL CONSULTANT, Steelcase **-** Winston-Salem, NC   *Fall 2017*
- Headed the data collection and analysis responsibilities of a 5-person consultant team for furniture company Steelcase
- Conducted research, designed surveys, and analyzed metrics on female professionals in STEM fields to help team design a marketing platform to help Steelcase attract women to employment in their STEM-related functions
- Presented unique messaging platform "#STEMtoSTEEL" to Steelcase representatives at the end of the semester

DATA ANALYST INTERN, Marquis Energy, LLC **-** Hennepin, IL   *05/2016 – 08/2016*

- Programmed Excel macros in VBA to automate retrieval, formatting, and data analysis used to construct quarterly EPA reports, resulting in 20+ hours of work eliminated quarterly
- Created front-end for company use of automated SQL queries to plant database using VBA, improving the efficiency of a near-daily process from 10 minutes to 30 seconds
- Installed proprietary rail yard management software and complementary hardware which increased efficiency by digitizing a rail car tracking system.

LEADERSHIP EXPERIENCE

VICE PRESIDENT, Illini Film And Video (RSO) - Urbana-Champaign, IL   *09/2015 – 05/2016*
- Organized weekly meetings and planned activities for 15-member student organization including presentations on movie lighting, cinematography and audio, as well as designing weekly film challenges for members to compete in
- Planned short film projects over 9 months, including a collaboration with the UIUC Theater Department to film a prequel for a theater production
- Created and implemented member recruiting strategy by scheduling and manning recruitment booths at multiple RSO fairs on campus, resulting in securing 10 new RSO members
